Title: HOLY LAND FOUNDATION
FOR RELIEF AND DEVELOPMENT
MAJOR CASE #189
[redacted]

Synopsis: The purpose of this document is to have the Holy Land Foundation's (HLF's) donor list uploaded into ACS.

Details: On 09/05/2001, a search warrant was served at INFOCOM and a search was conducted. During that search, file containing the HLF donor list was recovered from the hard disk drive of [redacted] computer. The donor list contains a donor number, the name of the donor, the donor's telephone number, the amount donated, and the year. The donor list appears to be only for the years 1999 and 2000.

b6
b7C

It has been determined that the HLF used the donor numbers to identify individuals that called in, as opposed to taking the donor's name for the message. The following information was obtained from a spreadsheet, however; the writer only had the text version, so some of the columns were shortened in the transition and names and telephone numbers were cut off in some instances. The following is a text printout of the donor list:

NOTES: Wednesday, 08/29/2001, Telephonically contacted [redacted] HLF regarding a threatening long distance phone call he received on 8/27/2001:

b6
b7C

[redacted]

Received call around 9:00 a.m., 8/27/2001

caller calles every monday, spoke to him twice on prior Mondays

First time he called uniknown name and number on ID. Two weeks ago [redacted] got the number..

b6
b7C

recalled from caller ID only an area code of either [redacted]

I spoke to him for about 4-5 minutes, in FRENCH

I think he learned FRENCH in FRANCE; but not a native speaker. He had a heavy accednt he understood me when I spoke to him. I told him he was a pain in the butt and he understood.

He started talking in differnt languages. Hebrew possibly Persian. I told him to speak in ENLGISH or FRENCH or ARABIC. He knows a few ARABIC words. So we settled on French.

He said, "where did yo learn french"

I asked him who he was? He did not reply.

I asked him what he wanted? He said I am from Israeli secret service and we are going to come and bomb you (MASSAD). I learned about you guys from (some article from)the wall street journal; about HAMAS and links to HLF. Older article not new press relief. You guys are HAMAS. You are responsible for the bombings and killing people.

He kept asking me queestions. what did you do in Paris? Bomb any embassies or grocery stores.

I told him what do you think we are idiots. He became very vulgar and cursing. I then told him to hold on and transferred him to [redacted]

b6
b7C

He is just a nut case. Keeps on same thing and started cussing. Obnoxious creation. He gets on your nerves after four or five minutes. Just keeps calling weird.

He is harassing. Calls a lot. Last time he said your [redacted] if I see him I am going to screw him. Blasphemous. I

Date of transcription 08/24/2001

Upon being advised of the identities of the interviewing investigators as members of the North Texas Joint Terrorism Task Force (NT/JTTF), 1801 North Lamar, Suite 300, Dallas, Texas 75202, telephone [redacted] b6 b7C b7E Holy Land Foundation for Relief and Development (HLF), 525 International Parkway, Suite 509, Richardson, Texas 75081, telephone 972/699-9868, [redacted] (mobile), [redacted] approximately [redacted] provided the following information:

[redacted] b6 b7C stated the HLF phone line was a "T-1" line and that it possessed caller identification capabilities. [redacted] stated HLF basic phone service was provided by "XO Communications". HLF's phone service was attached to approximately ten (10) extensions. The phone from which the voice mail messages were recorded was manufactured by the "CONTELCO" company.

[redacted] b6 b7C stated that HLF received two threatening voice mail messages on/about Monday, August 20, 2001. She retrieved and reviewed the two messages the next day from the HLF voice mail system.

[redacted] b6 b7C stated the first caller; caller identification function reflected call originated from [redacted] stated he was Jordanian. [redacted] played a recording she made of the first message (played back from her voice mail).

The following was discerned from listening to [redacted] b6 b7C recording:

"I wanted you to let you know that Palestinians are all animals. They killed my uncle and my cousin. I have killed ten (10) Palestinians and I hope I could kill more. Palestinians are animals. You guys are collecting money...(unintelligible) Palestinians all should be killed, and if ah, this world would be a safer place without Palestinians. and you collect money for them, I hope that all of you go to Hell like all Palestinians. (unintelligible)...as much as I hate to admit, Israelis are doing a good job, and I hope that someday all Palestinians would all be destroyed.and ah and ah hopefully that will happen, all of you

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

bastards if you could have call me please do that, I leave my number with you, please call me I am at [redacted]. I don't mind talking to you. All of you are bastards"...(unintelligible)..{end of recorded message}

[redacted] played the second threat message which originated from the same phone number (supra). The following was discerned from listening to [redacted] recording of the second threat message:

, "Oh yeah, you will receive money when you stop your terrorism. If not, the United States of America will nuke you into non-existence. Okay? We will see how you like it when a 100,000 mega-ton thermonuclear device vaporizes you from the face of the earth. Good day" {end of message}.

[redacted] called [redacted] and reached the Howard Johnson Motel (HJ), [redacted] After identifying herself, [redacted] spoke to [redacted] LNU (last name unknown), [redacted] and another HJ employee identified only as [redacted] (phonetic) LNU.

[redacted] LNU stated to [redacted] that the HJ phone system logged the source of all outgoing calls. [redacted] LNU later called [redacted] back and stated that the HLF phone number had been called from the HJ front desk, which is only accessible to HJ employees.

Re: 174C [redacted] 75906, 06/09/1996

After the office's tour, [redacted] explained that the reason for his complaint to the FBI is that this unknown male called several times on the HLFRD's 800 number and made threats against the HLFRD and the Arabs. The caller also insulted the Muslims and the Muslims religion.

[redacted] expressing his concern and fear that the caller may have the means to carry out his threats, gave a verbal consent to the FBI to retrieve the HLFRD 800 phone records from [redacted] Phone Company. b6 b7C

On May 29, 1996, SA [redacted] received a phone call from [redacted] of the HLFRD, and gave him (SA [redacted]) two phone numbers located in [redacted] claiming that these are the phone numbers for the person who has been calling them. [redacted] also advised that he just obtained these phone numbers from [redacted] Phone Company who informed him that they just received a fax from the [redacted] FBI requesting the HLFRD's telephone records for May 23, and 24, 1996. Later the same day the [redacted] FBI received a fax from [redacted] Phone Company containing the records. b6 b7C b7E
